Q&A

WELCOME EMPLOYERS, CONSUMERS, & ATTENDANTS!

During this training, we will tell you about the new paid sick leave benefit!

Please hold your questions as will have time for Q&A at the end of the training.

WHAT IS PAID SICK LEAVE?

Paid sick leave is **paid time off** employees will get when they are not at work, because they are sick, their relatives are sick, or they have an appointment. Through paid sick leave, an employee gets paid when they cannot work because they or a family member is sick.

WHAT DOES THIS MEAN FOR YOU?

There was a new law passed by the Virginia State Government. This law is to make sure you are paid when you cannot come to work because you are sick, or your relative is sick.

House Bill 2137

ELIGIBILITY

WHO IS ELIGIBLE FOR SICK LEAVE?

- Sick leave is available to attendants who work an average of **20 hours per week** or **90 hours a month** **for all 3 months**
- PPL will figure out if you can get paid sick leave. According to the number of hours you work in a three-month period, also known as a **quarter**.

WHEN IS ELIGIBILITY REVIEWED?

Your eligibility to get paid sick time will be reviewed every quarter. A quarter is a three-month time period in the fiscal year.

July 1 – June 30th = **FISCAL YEAR**

HOW IS ELIGIBILITY DETERMINED?

- PPL will double check the hours worked by each attendant to figure out their eligibility. This will be done 20 days after the end of each quarter.
- The quarters end on September 30, December 31, March 31, and June 30.
- Attendants will know if they meet eligibility on the **21st day after the quarter ends.**
- **Example:** Hours worked in Quarter 1 (July 1 – September 30) will be evaluated for eligibility on October 21st.

Quarter	Qualifying Quarter	Date of Eligibility	Date Sick Leave Hours Are Available
1	July 1 – September 30	October 21	November 1
2	October 1 – December 31	January 21	February 1
3	January 1 – March 31	April 21	March 1
4	April 1 – June 30	July 21	August 1

HOW IS ELIGIBILITY MEASURED?

- Eligibility is confirmed each fiscal year
 - July 1 – June 30th = **FISCAL YEAR**
- If not enough hours are worked in the first time period, or quarter, PPL will check again the following period, or quarter.
- If enough hours are worked in the quarter, you will be eligible for sick leave until the end of the fiscal year.

We will provide examples and screenshots, in the following slides!

- Sick leave hours will accrue at the beginning of the **qualifying quarter**

SICK LEAVE RULES & EXAMPLES

SICK LEAVE RULES

- Only 40 hours of earned and unused sick time can **carry over** in a fiscal year (July 1- June 30)
- Unused sick time will be carried over into the following fiscal year
 - For example:
 - July 1, 2022 – June 30, 2023 is one fiscal year
 - July 1, 2023 – June 30, 2024 is another
- In order to be paid for your sick leave, you must submit your sick time within 30 days
- Attendants can use no more than 40 sick leave hours in a fiscal year

HOW TO CALCULATE SICK LEAVE

- Remember: Eligible attendants earn **1 hour** for every **30 hours** worked during the qualified quarter

- Example 1

60 work hours = 2 sick leave hours earned

240 work hours = 8 sick leave hours earned

- Example 2

- Eli qualifies for sick leave. During quarter 4 (April 1st – June 30th) of the fiscal year, he works a total of 270 hours. Eli will start to accrue sick leave on **April 1st**. He will have 9 hours of sick leave available on **August 1st**.
